REQUEST FOR REISSUED OFFICE ACTION

Sir:

The following was noted by the undersigned when making a routine review of outstanding files on the United States Patent and Trademark Office PAIR web site:

On February 27, 2001 the previous agent of record withdrew his representation in the above-identified application.

On May 11, 2001, and again on August 10, 2001, the undersigned filed a Power of Attorney to him executed by the Assignee, which also revoked the previous Power of Attorney to the original agent.

On July 21, 2005 an Office Action was sent to the previous agent of record. This Office Action was never received by the undersigned, from either the USPTO or the previous agent of record, but rather uncovered, just today, by the undersigned in his routine review of the PAIR site.

It is respectfully requested that the July 21, 2005 Office Action be reissued to the undersigned with a new shortened statutory period to respond begun. It is also requested that the USPTO data be corrected to reflect the correct undersigned practitioner.

Respectfully submitted,

Martin O. Mequigon
